The Pastor Page

I, Deacon Jack and the entire parish staff at the Church of the Good Shepherd sincerely invite you to every mass, but especially weekend, as we gather for the celebration of the Eucharist to grow in our relationship with the Lord and one another.

THE ONE WHO KNOWS US LAYS DOWN HIS LIFE, TO BRING LIFE

"A good shepherd lays down his life for the sheep." *John 10: 11*

"We are the People of the Good Shepherd, asking your blessings on our work. Guide and unite us in our efforts, as we build community ..." These are the words of Mission Song: **We Are the People**, written by our former parishioner, the late Deacon Robert Killoren. It is a song but also a prayer reminding us why we and the Church of Good Shepherd are here. On this fourth Sunday of Easter, we celebrate our parish feast day. In the gospel reading Jesus describes himself as the Good Shepherd. Over the years, this image of the Lord has been to many who follow him very comforting, encouraging, inspiring but also challenging. As we take time to reflect on Jesus' life and teachings, we realize that we have indeed so much for which to be thankful. Jesus has done so much in the life of our parish and our individual lives and under the guidance of the Holy Spirit wants to continue to do even more. In what way does Jesus' image of the Good Shepherd challenge us to listen to his voice, to pray, grow as his followers?

FOOD FOR THOUGHT AND ACTION

We can live a happy life as long as we give authentic response to God's call.

THANK YOU FOR YOUR SUPPORT AND GENEROSITY!

Please remember that one can have a lot of money but still live a really poor life and one can have no money at all and live a really rich life, that's because what makes a person truly rich is not how much they have but how much they give. ***We can give without loving, but we cannot love without giving.***

THOUGHTS ON STEWARDSHIP AS A WAY OF LIFE – FOURTH SUNDAY OF EASTER

*"I am the good shepherd... and I lay down my life for the sheep... and they will heed my voice."
 – John 10:14-16*

When you pray do you only ask Jesus for the things that you want? Do you ever ask Jesus what He wants from you? How do you listen for His response? Many times Jesus responds in "quiet whispers" that are not so obvious. So, take time every day, in silence, to actively listen for His voice.

A SPECIAL THANK YOU FROM DEACON JACK

Colette and I would like to thank everyone for their well wishes and their prayers during my recent back problems. I have a protruding disc pressing on the spinal cord which has caused the pain. I am about 75% better after receiving an injection and PT which is helping me recover, although the pain still comes and goes. Again, thank you very much for your concern and prayers. *Deacon Jack & Colette*

HOLY SPIRIT JAMAICA MISSION THANKS YOU!

Father Marek, of our sister parish Holy Spirit, wants to thank you for the generous donations the 2024 Mission Team hand-delivered when our team traveled down this past March. We brought a check for over \$15,000 to help with general monthly mission costs as well as checks designated for the K-12 educational support Holy Spirit offers, and specific donations for the Higher Education Scholarship program; all funds generously donated by you, Good Shepherd parishioners. Please stop and enjoy the photos from our recent March Mission 2024 trip, posted on the bulletin board in the gathering space.

CRS SPOTLIGHT

Lal's family was one of approximately 4,000 families assisted by CRS after the 2015 earthquake in Nepal. It took skilled masons 25 days to build them a new brick home using techniques like reinforced concrete bands and roof beams to make it more resilient against future natural disasters. "When the earthquake struck, the house started shaking and it broke apart. We were scared and stayed outside the house for almost four months. Every hour, we would be waking up thinking, "Are we safe? Are we going to have another earthquake?" ~ Lal

Lal's house was one of the more than 800,000 houses that were destroyed or damaged by the earthquake in Nepal. The government and various humanitarian organizations, including Catholic Relief Services (CRS), launched a massive relief and reconstruction effort to help those affected. When CRS visited Lal's village and determined his house was unsafe, he was enrolled on the most vulnerable list for his family's home to be rebuilt. CRS and local partners gave guidance and support by providing technical assistance, construction materials and skilled masons to build Lal's new home.

If you are interested in supporting CRS's advocacy and humanitarian efforts, contact Linda Gall, (linda.j.gall@gmail.com) to learn more about the work of our State College CRS Chapter.

CATHOLIC SOCIAL TEACHING THEME 2 – CALL TO FAMILY, COMMUNITY AND PARTICIPATION

In a global culture driven by excessive individualism, our tradition proclaims that the person is not only sacred but also social. How we organize our society in economics and politics, in law and policy directly affects human dignity and the capacity of individuals to grow in community. The family is the central social institution that must be supported and strengthened, not undermined. While our society often exalts individualism, the Catholic tradition teaches that human beings grow and achieve fulfillment in community. We believe people have a right and a duty to participate in society, seeking together the common good and well-being of all, especially the poor and vulnerable. Our Church teaches that the role of government and other institutions is to protect human life and human dignity and promote the common good.

"While building up the Church in love, the Christian family places itself at the service of the human person and the world... 'Another task for the family is to form persons in love and also to practice love in all its relationships, so that it does not live closed in on itself, but remains open to the community, moved by a sense of justice and concern for others, as well as by a consciousness of its responsibility towards the whole of society'." —St. John Paul II, *The Family in the Modern World (Familiaris Consortio)*, no. 64

Pope Francis teaches, *An authentic faith . . . always involves a deep desire to change the world, to transmit values, to leave this earth somehow better than we found it. We love this magnificent planet on which God has put us, and we love the human family which dwells here, with all its tragedies and struggles, its hopes and aspirations, its strengths and weaknesses. The earth is our common home and all of us are brothers and sisters. If indeed "the just ordering of society and of the state is a central responsibility of politics," the Church, "cannot and must not remain on the sidelines in the fight for justice."* (*Evangelii Gaudium*, no. 183)

Local individuals and groups can make a real difference. They are able to instill a greater sense of responsibility, a strong sense of community, a readiness to protect others, a spirit of creativity and a deep love for the land. . . . Social problems must be addressed by community networks and not simply by the sum of individual good deeds." (Pope Francis, *On Care for Our Common Home* [Laudato Si'], nos. 179, 219)

■ In our families and faith communities, how can we cultivate a sense of responsibility for building a society in which the dignity of each person is recognized and protected?

HOSPITALITY MINISTERS AND DONUT PICKUP VOLUNTEERS NEEDED

Hospitality Ministers greet Mass attendees, facilitate the Presentation of the Gifts, serve refreshments after the Sunday Masses, and assist the congregation with miscellaneous needs such as seating, logistics, and rest-room location. The goal of the ministry is to create a warm, welcoming atmosphere that facilitates both worship and fellowship. This ministry is a wonderful way to involve children in an important dimension of parish life, and you do not have to be Catholic to be a

Hospitality Minister. All Masses are in need of additional volunteers, and you do not have to perform all duties to be a part of the ministry. We are happy to provide opportunities within your comfort zone, so introverts are most welcome! Rest assured that there is plenty to do behind the scenes.

The Hospitality Ministry is also trying to assemble a group of volunteers that are willing to pick up donuts from the North Atherton Giant on either Saturday afternoon, or before 8:30 Mass on Sunday. You do not have to be a Hospitality Minister to support this endeavor.

If you would like more information about being a Hospitality Minister, or a donut pickup volunteer, please contact Vince Bojan at 814-380-4619, or vjb2@psu.edu.
